OUR STORY

Miamiville is a charming community nestled between the Little Miami Bike Trail and Little Miami Scenic River. This wonderful area has been a hidden gem for bicyclers, canoers, nature enthusiasts, history buffs and families, young and old, for decades. It was no surprise that a local family had the vision of a unique indoor-outdoor restaurant, right ON the trail.

Joining with a West-side family and an East-side family, all with many years of restaurant experience, their vision began to become reality.

As the East and West shared a dream, the planets started to align! Miami Trailyard was born. As a great destination, the Trailyard has a welcoming atmosphere for everyone of all ages, including your favorite four-legged friend, in the relaxing outdoor "Yard on the Trail".
