OUR STORY

Miamiville is a charming community nestled between
the Little Miami Bike Trail and Little Miami Scenic
River. This wonderful area has been a hidden gem for
bicyclers, canoers, nature enthusiasts, history buffs
and families, young and old, for decades. It was no
surprise that a local family had the vision of a unique
indoor-outdoor restaurant, right ON the trail.

Joining with a West-side family and an East-side
family, all with many years of restaurant experience,
their vision began to become reality.

As the East and West shared a dream, the planets
started to align! Miami Trailyard was born.
As a great destination, the Trailyard has a welcoming
atmosphere for everyone of all ages, including your
favorite four-legged friend, in the relaxing outdoor
"Yard on the Trail".
